

Technical drawing of a sewerage system layout. The drawing shows a manhole (118) and various pipe sections with elevations and labels.

Manhole 118: A pink rectangular structure with the number 118 inside a green circle.

Pipe Sections:

- Black line:** A solid black line with points, labeled with elevations 130.4, 130.2, and 130.0.
- Orange dashed line:** A dashed orange line with elevations 129.9, 129.8, 129.6, 130.1, 132.4, and 132.9.
- Green lines:** Several green lines, some solid and some dashed, representing different pipe sections. Labels include ϵIV , $W/\epsilon IV$, Wp , ϵIV , $RIVa$, and $38/6$.

Coordinates and Labels:

- C2:** A circle containing the text "C2" with coordinates $X=5997615,3$ and $Y=8456256,2$.
- C1:** A circle containing the text "C1" with coordinates $X=5997614,4$ and $Y=8456258,9$.
- Text:** "rura osłonowa HDPE 200; L-5,0m" is written near the black line.
