

EZP.26.242.1.2021.NM

Warsaw, 13 January 2022

Public procurement procedure: **Scientific and research service aimed at exploration and identification of areas of occurrence of polymetallic massive sulphide deposits on the Mid-Atlantic Ridge**, No.: EZP.26.222.2021.

#### CLARIFICATION OF THE CONTENT OF THE TENDER INQUIRY

The Ordering Party informs that it has received questions to the content of the tender inquiry. Their content and explanations are provided below.

#### Question 1:

Please confirm for this proceeding if all three Legs (i.e. Leg 1, Leg 2 and Leg 3) are to be part of this tender. If yes, how do you expect each phase to be scheduled?

#### Answer:

Thank you for your interest in our inquiry. Based on information from Scope of Work (including page 8) Current proceedings relate exclusively to the execution of the regional exploration (Leg 1). Due to weather conditions, the survey shall take place in the months that ensure continuity of work and enable acquisition of high quality data.
