

The diagram illustrates the decomposition of a 252x252 matrix into blocks of size 24, 204, and 16x12, with associated dimensions and labels.

- The top row shows a horizontal line with a dimension of 252.
- The second row shows a horizontal line with a dimension of 24 on the left, 204 in the middle, and 24 on the right.
- The third row shows a horizontal line with a dimension of 3.5 on the left, 19xNr1 in the middle, and 3.5 on the right.
- The bottom row shows a horizontal line with a dimension of 3.5 on the left, 17 in the middle, and 9 on the right.
- The bottom row also shows a horizontal line with a dimension of 16x12 in the middle, 10 on the left, 17 on the right, and 3.5 on the far right.

Diagram of a pentagonal table top with side lengths 17, 6, 6, 18, and 17 cm.

Architectural floor plan of a room with a central concrete slab. The plan includes the following details:

- Central Slab:** Labeled "PŁYTA ŻELBETOWA POZ.1.1. GR. 15cm". It is a rectangular slab with a width of 194 and a depth of 194. A diagonal line indicates a thickness of 10.
- Structural Annotations:**
 - POZ.1.3. 24x24:** Four annotations pointing to the corners of the central slab.
 - POZ.1.6. I140 L=2,20:** An annotation pointing to the bottom edge of the slab.
 - POZ.2.3. 14/20:** An annotation pointing to the top edge of the slab.
- Dimensions:**
 - Vertical Dimensions (Left):** 22, 34, 228, 204, 27, 39.
 - Vertical Dimensions (Right):** 34, 22, 204, 228, 277, 39, 27.
 - Horizontal Dimensions (Bottom):** 34, 184, 34, 22, 208, 22, 252.
- Room Features:**
 - A door is located on the right wall, labeled "3'(5%)" with a slope indicator.
 - There are four windows: two on the top wall (labeled "A" and "B") and two on the right wall (labeled "C" and "D").

NR	Ø	DŁUGOŚĆ POJ. [cm]	ILOŚĆ [szt]	STAL 34GS [m]	
				Ø12	Ø6
