

Technical drawing of a suspended ceiling system (SUFIT) showing dimensions and labels.

**Labels:**

- A**: Points to the grid area.
- B**: Points to the main ceiling area.

**Dimensions:**

- Horizontal Dimensions:**
  - 2032 (Grid width)
  - 4064 (Total width)
  - 4180 (Total width including side panels)
  - 2032 (Grid width)
  - 18 (Side panel width)
  - 80 (Side panel width)
  - 80 (Side panel width)
  - 116 (Total side panel width)
- Vertical Dimensions:**
  - 18 (Grid height)
  - 970 / lamperia MDF (Grid height)
  - 1050 (Grid height)
  - 1482 (Total height)
  - 1950 (Total height)
  - 18 (Side panel height)
  - 432 (Side panel height)
  - 3000 (Total height)

**Other Information:**

- SUFIT PODWIESZANY H=300 CM**: Suspended ceiling, H=300 CM.
- Grid**: A grid of rectangular openings is shown in the lower left corner.
- Side Panels**: Two side panels are shown on the right side of the grid.
