

The geological map displays several units and features:

- Units:**
 - la**: Labeled at the top left and right.
 - lb**: Located in the upper left quadrant.
 - lc1** and **lc2**: Large central units with cross-hatched patterns.
 - lla2**: A large yellow-shaded unit at the bottom center.
 - llc1**: A small green-shaded unit on the right side.
- Structural Features:**
 - Dashed lines representing faults or boundaries.
 - A prominent vertical dashed line near the center.
 - Diagonal dashed lines forming a grid pattern across the central units.
- Labels and Symbols:**
 - nB(sph)**, **nN(PsH+cg)**, **nN(Π+Zl+pp+k+cm)**, **nN(Ps+Zl+pp+k+cg)**, **nN(mw+pp)**, **GπZ(+H)**, **P(Kr.W)**, **P(Ps+Z+sph)**, **Ps** (multiple locations).
 - Blue triangles pointing downwards with values **3,9** and **3,6**.
 - Numbers **0,0**, **0,1**, **0,5**, **1,8**, **1,5**, **2,1**, **3,5**, **3,9**, **4,0**, **4,5**, **6,0** are placed along various lines and boundaries.
